Dear Kenya A. McLaughlin,

I am referring to my letter of April 10, 2009 that withdrawal holding of abandonment of the above application is dismissed.

I request that Mr. Director and Kenya A. McLaughlin of US Patent Office accept to waive the dismissal so as to regulate the application for no fee or you are requested to refund the unused fees for my application as below:

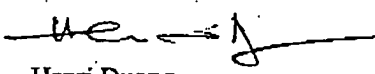

Notice of Appeal for a fee of:
a small entity fee of \$250.- filed on 07/14/2007

Appeal Brief for a fee of:
a small entity fee of \$250.- filed on 09/12/2007

and refundable fee of the application filed on 09/23/2003

Please proceed the refund as soon as possible so that I may reapply a new petition without further delay. Any reaction in delay will result in the loss of the interest of the United States where the invention brings to offer in the domain of inflowing US currency from overseas as a part of reducing American foreign debt.

Truly yours,

Henri Duong
